

Dr. Brandon Lee

Doctor of Health Science (DHSc) | Registered Dietitian (RD)
Board Certified Specialist in Sports Dietetics (CSSD)
Certified Clinical Research Professional (CCRP)
Fellow of the Academy of Nutrition and Dietetics (FAND)

I am dedicated to fostering healthy and passionate learning environments for current and future health science professionals.

SIGNATURE TOPIC AREAS:

- Advanced Athlete Health & Performance Science
- Evidence-Based Practice
- Leadership in the Field of Health Science
- Teaching Strategies for Health Science Professionals

SERVICES AVAILABLE:

Speaking services are available in passive (i.e., lecture style) and active (i.e., hands-on) learning formats. All presentations come with self-paced, post-event knowledge tests to help attendees improve retrieval strength and secure long-term memory of information.

BACKGROUND:

Knowledgeable speaker with experience presenting at notable health conferences organized by the Academy of Nutrition and Dietetics and the National Strength and Conditioning Association. Additionally, experienced at presenting to both undergraduate and graduate college-level students.

RATES

✓ Starting at \$300 per hour*

*Rates may vary based on event type and location.
